

# EXPORT CARTON STICKERS

Dear Vendor,

This document is in addition to the Vendor Information Policy and Procedure Guide, which outlines the standard Trading terms and Conditions of Harris Scarfe Australia Pty Ltd, which cannot be varied.

As of August 2010 shipments we require that all Vendors must apply a colour coded sticker to all cartons / packages delivered to Harris Scarfe.

Any merchandise delivered to Harris Scarfe from September 2010 needs to have a colour code sticker. It is the Vendor's responsibility to ensure that all deliveries comply with this requirement.

Please see attached the artwork and more detailed information for the label standards.

Harris Scarfe Australia Pty Ltd look forward to working with you to maximise efficiency across the total supply chain for the benefit of our respective businesses and delivering the needs of our end customers- the retail shopper.

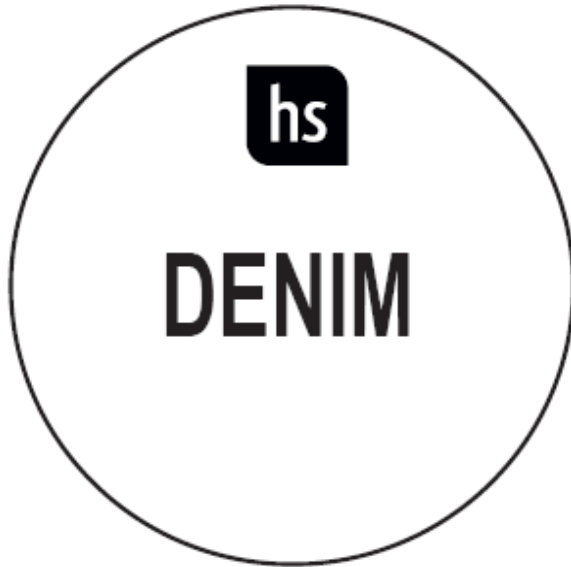

Please do not hesitate to contact our Import Production Manager, Debra Myers at the Melbourne Buying office for any further information or clarifications.
